- 1.) Double check that you are using the correct login information (see front page).
- 2.) Make sure you are using Chrome as your internet browser.
- 3.) Try going straight to the Dawson Schoology site for students rather than through the OneDawson portal.
 - a. <https://dawsoncounty.schoology.com> (student site only)
- 4.) Try opening an Incognito Window in Chrome and logging in that way.
 - a. Open Chrome
 - b. Click File
 - c. Click New Incognito Window
- 5.) Clear your browsing history & try logging in again.
- 6.) Try the Schoology app instead of the website (it's free in the App Store & in the Google Play Store).
